Technical Implementation Report of the project
Statement on the use of the previous pre-financing instalment**

Dear Prof. Mokni,

We would like to inform you and your project partners that we have carried out the assessment of your Technical Implementation Report submitted on 20 May 2019 and we are pleased to inform you that it has been approved.

Our assessment looks at the partnership's performance as regards the efficient implementation of the project. It takes into account the Technical Implementation Report but also the desk monitoring conducted by the EACEA since the start of the eligibility period and, the field monitoring visit carried out so far. The project implementation should not only respect the CBHE requirements but it should also be in line with the original proposal included under Annex I of the Grant Agreement.

In this context and in accordance with the Grant Agreement and with the Guidelines for the Use of the Grant, your project implementation has been qualified as '**GOOD**'. The Comments and recommendations sheet in Annex of the letter provides more detailed feedback.

We would like to draw your attention on the fact that we have requested some additional information/clarifications to be provided within one month of the signature of this letter.

In addition, we remind you that your project is now online on the [Erasmus+ Project Results Platform](#), so as to ensure transparency and visibility of EU funding. We invite you to update your project data and to upload your project results. Please note though that these results will become publicly available only after the validation of your final report by the Agency.

Finally, we would like to thank you for your "Statement on the use of the previous pre-financing instalment and Request for Payment" received on 20/05/2019.
